1. Preamble

Whereas, the successful management by the Boston Housing Authority (the “BHA”) of its local public housing developments, as well as housing communities outside of the public housing program that are owned by the BHA or BHA instrumentalities, requires participation and cooperation from all BHA tenants in the overall mission and operation of public housing in order to create a positive living environment.

Whereas, the existence and recognition of viable, representative, and democratic local tenant organizations (“LTOs”) is critical for achieving participation and cooperation from BHA tenants, consistent with sound management practices and concerns for the general welfare.

Whereas, in furtherance of tenant participation in matters involving BHA tenants in general, the BHA shall work whenever possible with tenants organized as LTOs or organizing and seeking recognition as LTOs, rather than with individual tenants.

Whereas, the form and extent of tenant participation including resident management is a decision to be made jointly by LTOs and the BHA.

NOW THEREFORE, the BHA establishes a policy, set forth herein (the "Policy"), to define the rights and responsibilities regarding participation of BHA tenants and their LTOs in the management of BHA developments.

THE GENERAL ROLES OF THE LTO AND THE BHA

4. The Role of the LTO

4.1 The LTO shall seek to improve the quality of life and tenant satisfaction and enable tenants to create a positive living environment for everyone living in BHA Developments, free from harassment and discrimination on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity or expression, age, genetic information, ancestry, marital status, veteran status or being a member of the U.S. armed forces, familial status, source of income, and disability.

4.2 LTOs may actively participate in the management of BHA Developments. In particular, LTOs may advise the BHA on the following matters: redevelopment, modernization, security, maintenance, tenant screening and selection, community services, recreation, the budgetary process, and the adoption or amendment of rules affecting the rights, status, duties, or welfare of tenants.

5. The Role of the BHA

5.1 The BHA shall have ultimate responsibility for management operations, yet it shall encourage and facilitate strong tenant participation in its operations through the LTOs, the RAB, and the BHA Monitoring Committee.

The potential LTO Members may also seek guidance and advice from other qualified agencies.

6.2 The LTO shall organize and operate as a separate association or entity. Nothing shall preclude the LTO from exercising its rights as an independent organization, except as provided in this policy and applicable State and federal regulations

6.3 The LTO shall open and maintain its own fiscal records and its own bank account at a FDIC or comparable state-insured financial institution. The LTO shall not use the BHA's tax identification and exemption number or other corporate or tax identifying names, numbers, or characteristics.

6.4 The BHA may monitor an LTO's finances involving any BHA funds at any time.

6.5 The LTO may form partnerships with outside organizations, provided that such relationships are complementary to the LTO in its duty to represent the tenants, and provided that such outside organizations do not become the governing entity of the LTO.

6.6.1 A voting-eligible tenant shall be any member of a public housing household who is a designated head of household of any age, or a member of a public housing household at least 18 years of age or older whose name is on the lease of a unit in the Development(s) that the LTO represents, and who meets the requirements of the By-laws including those temporarily relocated. The LTO may establish additional criteria that are non-discriminatory and do not infringe on rights of tenants in the Development. There shall be no membership fee.

6.6.2 The LTO shall hold Development-wide meetings at least twice per year with the tenants of the entire Development to ensure that tenants have input and are aware and actively involved in Development decisions and activities. Meetings, including virtual meetings, shall be held with reasonable advance notice at times and places that are reasonably convenient and wheelchair accessible, if available at the Development. The LTO shall provide or request from the BHA interpretative services as needed, if funds are available and tenants shall have reasonable opportunity to participate and make their views known. A tenant may invite BHA staff members and other non-LTO Members to attend.

6.6.3 The By-laws may be approved or amended only by a majority vote of the voting-eligible tenants present or participating virtually at a Development-wide meeting at which there is a quorum and for which there was reasonable advance written notice, including prominent posting at the Development of the time, date, and purpose of the meeting.

6.6.4 The LTO shall make the By-laws available to tenants upon request.

6.6.5 The By-laws shall define the number of LTO Board members required for a quorum of the LTO Board and the number of tenants required for a quorum at community meetings.

6.6.6 The By-laws shall contain procedures for the formation of the LTO Board, the removal of an LTO Board member, and the filling of a vacancy on the LTO Board in accordance with this Policy.

6.6.7 The By-laws shall contain procedures for regular and recall elections in accordance with this Policy (Article 8). Such procedures described in the By-laws may include the number of signatures of voting-eligible tenants required for nominations.

6.6.8 The By-laws shall comply with all other applicable laws and policies.

6.7 The LTO shall adopt a dispute resolution process for internal LTO disputes. This resolution process may involve the BHA and its Office of Civil Rights or other qualified agency as a resource to assist in the dispute resolution.

7.4 The LTO shall establish procedures for elections and recall of the LTO Board in accordance with this Policy.

7.5 The LTO Board shall, at a minimum, consist of five elected LTO Board members, except to the extent that a lower number is permitted by regulation. The LTO may establish staggered terms and term limits for LTO Board members, subject to the requirement of elections at least every three years.

7.7 The LTO shall have, at a minimum, the following officers: President or Chair, Treasurer, and Secretary. The LTO may also have additional officers, as needed, including Vice President or Vice-Chair and alternates. These officers shall be LTO Board members. The basic duties of these officers shall be as follows:

7.7.1 The President or Chair shall exercise general management of the LTO;

7.7.2 The Treasurer shall exercise general management of all financial affairs of the LTO;

7.7.3 The Secretary shall maintain all LTO records, including minutes and votes;

7.7.4 An LTO officer shall not act contrary to a position taken by a LTO Board vote.

7.8 The LTO Board shall hold frequent meetings (recommended monthly). Meetings, including virtual meetings, shall be held with reasonable advance notice to LTO Members at times and places that are reasonably convenient and wheelchair

accessible, if available at the Development. The LTO shall provide or request from the BHA interpretative services as needed. BHA shall provide such services if funds are available and if sufficient advance notice is given. Meetings shall be open to all tenants, and they shall have reasonable opportunity to participate. The LTO Board may decide to close the meeting or go into executive session to discuss confidential matters, including but not limited to discipline or dismissal of an LTO Board Member, security, and litigation.

7.9 LTO Board Members and tenants may participate in meetings and votes by means of telephone, video call, or other similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means shall constitute presence in person at a meeting. Those participating electronically shall have the same rights and opportunities to participate as those attending in person, and shall be counted for the purposes of quorum as well as voting. LTO Boards may explore options to make virtual attendance a possibility for residents, including by using TPF, Laundry, grant or other Funds for video or conferencing account membership, equipment such as speakers, microphones, or a webcam, or other reasonable purchases. Residents shall have the opportunity to use their own devices to connect to meetings.

8. Election Procedures

8.1 The LTO shall hold elections of the LTO Board pursuant to this Policy on a regular basis, but at least once every three years, subject to such waivers as BHA, HUD, and/or DHCD may establish. Election procedures shall impose no unnecessary restrictions on candidates desiring to run for office, and shall allow voting-eligible tenants an opportunity to vote after reasonable notice of the time and place of the election.

8.2 The LTO shall adopt and issue election and recall procedures in their By-laws. The procedures shall include requirements such as qualifications to run for office, frequency of elections, and procedures for recall. The procedures shall also include other requirements, including but not limited to nomination procedures, number of available LTO Board positions, and time frames. The LTO may also adopt term limits, if desired.

8.3 Prior to each regular or recall election, the LTO shall, in partnership with the BHA, establish and select an Election Committee (recommended minimum of three members) comprised of tenants who are not candidates and/or volunteers who are not tenants at the development, and shall seek inclusion on the basis of race, color, national origin, religion, gender, sexual orientation, gender identity or expression, age, familial status, and disability. The Election Committee shall implement and conduct all LTO election activities as well as ensure the LTO's compliance with all election requirements. The LTO shall not have elections if no Election Committee is established.

8.4 Prior to recognition of a not yet recognized LTO, a group of potential LTO Members may establish and select an Election Committee to hold elections.

8.5 Prior to commencing elections, the Election Committee shall inform the BHA.

8.6 The Election Committee may choose an independent third party to observe elections and provide advice as needed. Independent third parties shall be defined as established organizations with relevant experience in overseeing elections, and may include but are not limited to election boards, commissions, community groups, and nonprofit organizations. Upon request by the LTO, the BHA may offer assistance to the Election Committee in choosing an independent third party.

8.7 If any materials used for elections, outreach, voting, and related matters are posted or accessible online, they shall also be made accessible to persons without internet access in public conspicuous locations, or mailed or delivered to their door.

8.8 Nominations Procedure

8.8.1 At least thirty (30) days in advance of the nomination deadline, the Election Committee shall deliver initial notice of the election to each occupied unit in the Development. The Election Committee shall post such notices in every Development hallway, Development Management office, and LTO office at least thirty (30) days prior to the nomination deadline.

8.8.1.1 The initial notice shall include a description of the election procedures, eligibility requirements for candidates, and dates of the nomination deadline and the election, and shall have nomination forms attached. The initial notice shall provide clear instructions regarding the attached or electronic nomination forms, including who is an eligible candidate, how the nomination forms are to be completed, and where and when they are to be filed.

8.8.1.2 To ensure that the initial notice solicits the broadest possible attention of tenants and encourages their participation in the electoral process, the Election Committee shall translate such initial notice from English into the most appropriate languages for the Development's population. If the Election Committee needs assistance with translation, the Election Committee may request assistance from the Development Manager, BHA Resident Capacity Program (RCP), or BHA Center for Community Engagement and Civil Rights (CCECR), recommended at least 14 days prior to the date set for the initial notice, and the BHA shall provide such assistance, subject to the BHA having available funding. If such a request is not made to the Development Manager or BHA Resident Capacity Program or CCECR by this recommended deadline, the BHA may still provide such assistance if possible, but the Election Committee or the LTO Board shall remain solely responsible for the translation and distribution of these materials.

8.8.2 The recommended number of tenants whose signature is required in support of a nomination to the LTO Board is the lower of 25 tenants or 10% (but in no event fewer than 10) of the tenants at the Development, or such other

number that the LTO states in its By-laws.

8.8.3 Nomination forms shall be available to tenants at both the LTO office and the Development Management office, or clear instructions on how to find and complete nomination forms, if online or in another location. Tenants may sign more than one nomination form.

8.8.4 After the nomination deadline, the BHA, through appropriate staff, shall have five working days to review and certify to the Election Committee that the signatures of the tenants on the nomination papers for each candidate represent names of legal occupants of the Development (or temporary relocatees). The BHA shall not certify that the signatures are authentic. If a sufficient number of signatures are not certified, the candidate shall be disqualified from the election.

8.8.5 The BHA, shall also certify that the candidates are themselves voting-eligible tenants as defined in Section 6.6.1 and eligible to run for the LTO Board pursuant to Section 7.2.

8.8.6 The LTO shall maintain the certified nomination papers in its files for three years.

8.9 Election Procedures

8.9.1 After the signatures on the nomination papers have been certified, the Election Committee shall notify tenants of the nominations via notices with each candidate's name and address listed, and identifying the position for which the person has been nominated (either a Board position or a particular Officer position, depending on the LTO's bylaws). The Election Committee shall post such notices in the Development Management office, the LTO office, and other usual posting locations and methods, such as through the use of online platforms, at least thirty (30) days prior to the election

8.9.2 The Election Committee shall conduct a range of outreach activities to encourage resident participation in the election, such as holding candidates' nights forums, distributing informational materials about the candidates and posting notices to remind residents at least one week before the election.

8.9.3 Candidates for the LTO Board may post and advertise their candidacy in the Development Management office, the LTO office, and other usual posting locations.

8.9.4 Polling stations shall be located in an area of adequate size to provide voters a sufficient level of privacy to mark ballots, subject to 8.9.4.1. The Election Committee shall provide a secured ballot box at each voting station, and shall verify each voter's eligibility pursuant to Sections 6.6.1 of this Policy. Upon request by the Election Committee, the Development Manager shall supply a list of voting-eligible tenants and their addresses for this purpose.

8.9.4.1 Local by-laws and Election Committees may allow for adjustments to typical voting procedures, including but not limited to having multiple days during which the polls are open, allowing for absentee or other forms of voting, such as mail-in, electronic, or telephonic voting, so long as the Election Committee and Independent Third Party Observer can confidently ensure the security and confidentiality of the vote and develop a mechanism for verifying that each eligible tenant only casts one ballot. For example, this might involve having the deadline for mail-in ballots made one week or more before in-person voting begins to allow the Third Party Observer to verify, pursuant to Section 8.8.4 of this Policy, which voters already voted so that they may not vote again in person. Partial results shall not be shared with anyone not employed by the Third Party Observer, including Election Committee Members, candidates, and residents, until the complete and final count of every ballot cast is tabulated.

8.9.5 No candidate for election shall be allowed in the voting station other than to cast his/her own ballot. No candidate or his/her supporters shall conduct any campaign activities within twenty (20) feet of the polling station.

8.9.6 The Election Committee shall provide notice to tenants of election results within three (3) calendar days. Notice shall be deemed sufficient by visibly posting the results, including the number of votes cast for each candidate, at both the LTO and Development Management offices, or in community room or other conspicuous public locations.

8.9.7 The LTO Board shall provide written notice to the BHA of the election results, including the number of votes cast for each candidate, within ten (10) working days.

8.9.8 After an election, the independent third parties shall provide the BHA with a certificate attesting to the fairness of the election. The independent third parties shall provide such a certificate within ten (10) working days on such form and attachments as the BHA directs.

8.9.9 Except as may otherwise be provided by LTO by-laws, the LTO Board shall meet within five (5) working days of the election in order to select its officers.

8.10 Recall Elections

8.10.1 Any tenant may initiate a petition for a recall election. The LTO shall conduct a recall election to remove one or more LTO Board members upon petition of at least 10% of the tenants.

8.10.2 A recall petition shall have a clearly stated reason for the recall typed at the top of each page of the petition.

8.10.3 A recall petition shall be submitted to the LTO Board, which shall submit it to the BHA to review and certify that the signatures on the recall petition represent names of legal occupants of the Development, but not that the signatures are authentic. Upon receipt of the certification of signatures on the recall petition, the LTO Board shall establish and select an Election Committee.

8.10.4 Recall elections shall not be held more than once a year for each Officer/Board of Director member.

8.10.5 To the extent applicable, recall elections shall follow regular election procedures unless otherwise provided in this section of the Policy.

8.10.6 Resulting vacancies in the LTO Board shall be filled pursuant to the LTO's by-laws.

9. BHA Recognition of LTO

9.1 In seeking BHA recognition, an LTO shall complete and submit to the BHA a Recognition Package, which shall include the following documents and information:

9.1.1 The LTO By-laws and/or corporate documents.

9.1.4 The date of the most recent LTO Board election and the number of votes cast for each candidate.

9.1.5 The names and addresses of all LTO Board members and the date(s) of their election to the LTO Board, and what offices they hold on the LTO Board.

9.1.6 A certificate of independent third parties that the election was conducted in accordance with this Policy.

9.1.7 A description of LTO activity, if any, including, but not limited to, efforts achieving reasonable representation and participation of residents reflecting

diversity in race, ethnicity, age, disability, and geographic areas in the Development.

9.1.8 Copies of outreach and informational materials in all languages used.

9.1.9 The dates of all LTO Board and Development-wide meetings held within the past twelve months, if any.

9.1.10 Financial and other records or information that the BHA requests, if any.

9.2 The LTO's Recognition Package (described above), including the LTO's By-laws, shall demonstrate the following:

9.2.1 The LTO represents the tenants living in the Development in matters affecting the rights, status, duties or other common interests of such tenants, and it maintains a cooperative working relationship with the BHA.

9.2.2 The LTO does not impose unreasonable restrictions on participation by the tenants it represents.

9.2.3 The LTO has adopted By-laws and election procedures in accordance with this Policy and applicable laws and regulations.

9.2.4 The LTO has held elections in accordance with this Policy.

9.3 Within 30 days of the BHA's receipt of the LTO's Recognition Package, the BHA shall review the LTO's Recognition Package and determine whether to grant recognition to the LTO complying with this Policy. If the BHA grants recognition to the LTO, the BHA and the LTO shall enter into a tenant participation agreement, minimally a counter-signed recognition letter.

9.4 Denial of Recognition. If the BHA determines that the LTO has not complied with all requirements in this Policy, the BHA shall deny recognition of the LTO. The BHA shall notify the persons who submitted the Recognition Package in writing within 30 days of the BHA's receipt of the recognition package. The notice shall specify the reasons for non-compliance, and shall give the LTO 30 days from the date of mailing of the notice of non-compliance to achieve compliance. If the LTO provides no or an unsatisfactory response, the BHA shall deny recognition or grant provisional recognition (as described below), and send written notice to the persons who submitted the Recognition Package. The BHA shall post notices in public places, including but not limited to the Development management office and/or on-line, to inform the tenants of the BHA's action with respect to recognition. After denial of recognition, the LTO may restart the recognition process or follow the Dispute Resolution Process described below in Article 20.

9.5 Conditional Recognition. Upon written request by an unrecognized LTO or pursuant to the BHA's initiative, the BHA may at its sole discretion grant conditional recognition

for such period as it deems acceptable. The request from the unrecognized LTO shall set forth a plan and timeline to achieve compliance. The BHA may adopt or modify this plan or timeline as part of the conditional recognition.

9.6 The BHA shall recognize only one LTO per Development. In no event shall the BHA recognize a competing LTO once an LTO has been recognized.

9.7 If two or more associations at a Development are seeking recognition as the LTO, the BHA shall encourage the competing associations to cooperate. If the associations cannot agree, the BHA shall recognize the association that the BHA determines will best represent the tenants, considering the relevant circumstances, including the following:

9.7.1 The number of tenants participating in the association's elections;

9.7.2 The number of tenants participating in the association's meetings;

9.7.3 The association's efforts to encourage tenant participation;

9.7.4 The association's governance procedures;

9.7.5 The association's compliance with the recognition requirements;

9.8 The BHA shall mail its written determination to the competing associations, recognizing one as the LTO and denying recognition to the other association(s), with an explanation. The BHA shall post notices in public places, including but not limited to the Development management office, to inform the tenants of the BHA's action with respect to recognition.

9.9.1 Any amendments to the LTO By-laws or corporate documents, and documentation demonstrating the process used for such amendments.

9.11 The BHA shall provide first a warning to the LTO that it is considering revoking recognition of the LTO. The warning shall provide reasons for revocation and measures for the LTO to take to cure its deficiency. If the LTO does not cure the deficiency within 45 days of the mailing of such warning, the BHA may revoke recognition of the LTO, but the BHA in its sole discretion may extend this time period. The LTO may request a meeting with the BHA prior to revocation (may be virtual meeting). If the BHA revokes recognition of the LTO, the BHA shall notify the LTO Board in writing, and shall post notices in public places and/or on-line, including but not limited to the Development management office, to inform the tenants of the BHA's revocation of recognition. In case of an LTO in a State Development, the BHA may request DHCD to revoke recognition of the LTO.

9.12 In the event the LTO fails to comply with BHA, State, or federal requirements, or the BHA revokes recognition of the LTO, the BHA may withhold funds from the LTO and/or require the LTO to return funds already disbursed for the year in which recognition was revoked.

If neither the BHA nor the LTO Board proposes an agenda item for the meeting, the BHA or the LTO Board may cancel the meeting with advance oral, electronic, or written notice to the other.

10.5 The BHA shall provide ten days advance written notice to LTOs of BHA Monitoring Committee meetings scheduled to discuss common interests of tenants, but not individual grievances.

12.1 Upon request by an LTO, the BHA shall provide it with wheelchair-accessible office and tenant activity space, as available, free of charge, preferably within the Development it represents. If no community or rental space is available for offices, the BHA shall consider a request to approve a vacant unit for this non-dwelling use on a case-by-case basis. The BHA shall provide space to the LTO without significant cost or inconvenience to the BHA, so long as such space is not reasonably necessary for the BHA's other needs. The BHA shall solely determine the feasibility and appropriate size of the space after consultation with the LTO and in relationship to comparable LTO spaces.

12.2 The LTO shall use BHA provided space only for permitted tenant participation activities. The LTO does not have the authority on its own to permit other individuals or groups to use BHA provided space, regardless of whether or not there is a charge or no charge for the space. No non-LTO Members or groups shall distribute or post literature without the permission of the Development Manager.

13. Inspection of Documents

13.1 Upon request by an LTO at least 10 days in advance, the BHA shall permit the LTO during regular working hours to inspect at no charge to the LTO written records, policies, and forms, except for personal information that is confidential or not public, in accordance with state public records, laws and the federal Freedom of Information Act. The BHA may also determine other steps to take, including but not limited to notifying the HUD Inspector-General.

14.3 The BHA shall determine whether and how much revenue to share with LTOs from laundry and vending machine sources.

or regulatory comment period, such as 45 days for the BHA's Agency Plan or no comment period at all if the proposed policy change is implementing a federal or State regulation or law. If several Developments are affected, the LTOs of these Developments may submit joint comments.

15.3 Before or after submitting written comments, the LTO(s) or individual tenants may request a meeting (may be virtual meeting) with BHA representatives to discuss proposed policy changes or written comments thereon. The BHA shall schedule such meeting promptly. If the Agency Plan or applicable law or regulation requires a hearing, or the BHA schedules an optional hearing, such hearing shall take the place of the meeting described above.

15.4 The BHA shall issue its final policy decision to the LTO(s), including a response to pertinent LTO comments.

15.5 In situations where an LTO does not exist for a Development, the BHA shall submit proposed policy changes to the Development Manager who shall distribute these proposed policy changes to tenants of the Development in a manner determined by the Development Manager. 16.4 The Development Manager shall submit to the BHA Central Office her/his final budget recommendations, including any recommendations from the LTO that (s)he

views as compatible with sound management practices and general concern for tenant well-being. The Development Manager shall submit as attachments to her/his final budget recommendations the following information:

16.5 The Development Manager shall submit to the LTO a copy of her/his final budget recommendations, including all attachments, within ten days of submission to the BHA Central Office.

Such list shall consist of residents whom the LTO has interviewed and found qualified for the available position. The LTO shall rank the qualified residents on the list in order of qualifications.

17.1.5 If the LTO has expressed interest in participating in the selection process, the BHA shall forward to the LTO the names and resumes of all finalists for the position of an employee whose primary purpose is to have direct dealings with residents.

17.1.6 During its participation in the selection process, the LTO may interview the finalists at a time and place determined by the BHA, and submit its recommendation for the employee position in writing within three days of such interviews. The BHA may use its discretion whether to interview or hire candidates whose names were submitted by the LTO.

17.5 Conflict of Interest. LTO Board members shall not serve in a policy making or supervisory position as contractors or employees of the BHA, or the BHA's private management agents. They shall also comply with other applicable laws, State and federal regulations, policies, and by-laws regarding conflicts of interest.

Following development of the citywide capital plan, the BHA shall hold a citywide advance meeting (may be virtual meeting) for LTOs to review needs and priorities regarding capital planning and to explain the components of the citywide capital plan. Thereafter, the BHA shall send notice to the LTOs at least 45 days in advance of a public hearing on the BHA Agency Plan. During this 45-

The BHA shall post a notice of such meeting (may be virtual meeting) in a conspicuous place in the BHA Central Office and at the Development. The LTO shall have the right to inform the BHA about any critical health, safety, or energy work items that need to be addressed, whether or not a formal funding round for modernization has been announced.

18.2.2 The BHA shall involve the LTO (or interested tenants if there is no LTO) of a Development in decisions related to an application for modernization funds for the Development. Each application shall contain a description of tenant participation in the modernization process. The BHA shall consider and incorporate LTO input into its application, provided such input is consistent with sound management.

18.2.3 The BHA shall provide a copy of the draft application to each duly recognized LTO at least one week prior to submission to DHCD. If there is no LTO at a Development, the BHA shall post a notice regarding the application at the Development at least one week prior to submission, including where interested tenants can review the draft application. The BHA may make changes to the application reflecting the LTO's comments, and shall seek the signature of the LTO assenting to the application. If the LTO and the BHA differ on the application, the BHA shall request a letter from the LTO stating these differences, and attach a copy of the LTO's letter to the application. If there is no LTO or the LTO does not provide comments in a timely manner as determined by the BHA, the BHA shall include a statement establishing good cause for omission of LTO comments.

18.2.4 The BHA shall follow State regulations with respect to State Developments as legally required.

18.3 Implementation – Both Federal and State Developments

18.3.1 During a modernization project, the BHA shall invite typically one, but up to two, representative(s) of an LTO to attend interviews of finalists for designer selection. The BHA shall notify the LTO of the award of designer contracts.

18.3.4 The BHA shall invite up to two representatives of an LTO to attend and participate in pre-construction and job meetings (may be virtual meetings).

18.3.5 Tenant coordinators may be required for certain jobs to expedite construction activities affecting tenants. In such cases, the hiring entity (the BHA, or a BHA-procured contractor) shall select tenant coordinators on the basis of applications reviewed, approved, and ranked by the LTO, as indicated on a list submitted to the BHA in a timely manner as determined by the BHA. If the BHA, or contractor does not select a tenant coordinator from the LTO list, they shall inform the LTO of the reasons. An LTO Board member or a member of his or her household shall not be eligible to receive compensation as a tenant coordinator. In the event of any dispute regarding the selection of a tenant coordinator, the parties may follow the Dispute Resolution Process in Article 20 of this Policy (Dispute Resolution).

18.3.6 The BHA Monitoring Committee shall review the BHA's plans regarding modernization, in accordance with Chapter 88 of the Massachusetts Acts of 1989, as amended.

The BHA shall comply with applicable federal and state requirements and regulations dealing with relocation of displaced tenants.

19.2 Within 30 days of such BHA notice, the LTO may submit written comments, including suggested alternatives. The BHA shall respond to such comments within 30 days. The BHA may also give notice of demolition or disposition to LTOs through the Agency Plan process.

19.3 With respect to federal Developments only, prior to submitting an application to HUD for disposition, the BHA shall make a formal offer for sale of the real property for continued use as low income housing to the duly recognized LTO of the affected

Development under at least as favorable terms and conditions as the BHA would offer to another purchaser, in accordance with 24 CFR 970.13, except under such circumstances as described in 24 CFR 970.13.a.2. The LTO shall have 60 days to develop and submit a proposal to the BHA along with a firm financial commitment for financing the purchase of the property. For guidance on the content and the review of the proposal, please consult 24 CFR 970.13 (e) and (g).

19.4 The application for demolition or disposition to HUD or DHCD shall contain a description of the BHA's consultation with the LTO and the BHA Monitoring Committee along with copies of the LTO's written comments and the BHA's responses. For Federal Developments, the BHA shall also consult with the RAB. In the case of a disposition for Federal Developments only, it shall also contain evidence that the BHA made an offer to purchase to the LTO.

19.5 The BHA Monitoring Committee shall review the BHA's plans regarding demolition and disposition, in accordance with Chapter 88 of the Acts of 1989, as amended.

19.6 The BHA shall notify the LTO and the BHA Monitoring Committee that an application for demolition or disposition approval will be submitted to HUD or DHCD and that a copy of the application, including supportive documentation, is available for review during normal working hours. The BHA shall also notify the RAB.

19.7 The BHA shall notify the LTO of the outcome of the application for demolition or disposition.

19.8 After demolition or disposition, the LTO shall continue to have a participatory role in the redevelopment process as the representative of LTO Members while such LTO Members have been temporarily relocated.

20. Dispute Resolution Process

There shall be a dispute resolution process only for the following LTO-related matters:

20.1 In a Federal Development, if an unrecognized association or an LTO is dissatisfied with a final decision of the BHA denying or revoking, respectively, recognition as an LTO, by reason including but not limited to the LTO's failure to satisfy minimum election requirements, the BHA or the LTO may, within 30 days of the mailing of the decision, seek third party arbitration from an independent arbitrator, which shall be binding on the BHA and the LTO. Third party arbitrators shall be local and jointly selected. Costs for the third party arbitrators shall come out of the Tenant Participation Funds for the Development. If the parties are unable to select an arbitrator jointly, then the BHA shall select one from the American Association of Arbitrators.

20.2 In a Federal Development, disputes regarding tenant participation funding decisions may be referred to the HUD field office.

20.3 In a State Development, if an unrecognized association or an LTO is dissatisfied with a final decision of the BHA denying or revoking, respectively, recognition as an LTO, the BHA and the LTO shall, within 30 days of the mailing of the decision, make a written request to DHCD to review the decision. DHCD may uphold or set aside the decision. The BHA and each LTO or association involved is entitled to submit written argument and documentation. DHCD's decision shall be in writing and mailed to the parties.

20.4 In a Federal Development, if the BHA and the LTO are unable to reach an agreement regarding space provided by the BHA then the LTO may file an appeal with HUD stating the circumstances of the LTO's negotiations. The BHA shall submit a written response. If no resolution is reached, HUD shall serve notice on both parties that administrative remedies have been exhausted, pursuant to HUD Regulations. After this resolution process is completed, the parties shall be able to pursue other remedies.

20.5 In a State Development, if an LTO is dissatisfied with the BHA's selection of a tenant coordinator in a construction project using State modernization funds, the LTO may make a written request to DHCD to review the decision and mediate any dispute. After this resolution process is completed, the parties shall be able to pursue other remedies.

OTHER

21. BHA Monitoring Committee

21.1 The nine-member, BHA Monitoring Committee is appointed by the Mayor of Boston to periodically review matters relating to the management and performance of the agency, and to report them to the Mayor. Five members shall be tenants in BHA developments and at least one shall be a BHA Section 8 participant.

21.2 The BHA shall notify LTOs of the opportunity to submit names of potential candidates for the tenant members of the Monitoring Committee.

21.3 The Monitoring Committee reviews the annual federal and state operating budget; the principal annual modernization applications; and all property dispositions and demolitions that would reduce the total number of housing units owned by the housing authority that have not been approved by the Massachusetts Superior Court in the case of Armando Perez v. BHA prior to the enactment of chapter 88 of the Acts of 1989.

21.4 Monitoring Committee members serve a two year term coterminous with City Council members, unless otherwise provided for by local ordinance, but will remain in place until new Monitoring Committee Members have been approved by the Mayor and taken their place, and shall meet at least four times a year.

22. Resident Advisory Board

22.1 The RAB consists of public housing and Section 8/Leased Housing tenants who assist the BHA and make recommendations regarding development of the Agency Plan. The RAB shall reflect the diversity of BHA Public Housing and Section 8/Leased Housing tenants.

22.2 LTO Board members or their representatives shall nominate tenants of public housing Developments as candidates for election to the RAB pursuant to RAB by-laws. LTO Board members or their representatives shall elect the RAB members, with technical assistance from third party advisors. If a Development does not have an LTO, LTOs of other Developments may nominate tenants of the Development without an LTO.

22.3 Through a series of regular meetings (may be virtual meetings), the BHA and the RAB shall review policies, practices, and program goals, including the Five-Year and Annual Plans submitted to HUD and DHCD. The RAB shall make comments and recommendations regarding such Plans. The BHA shall submit the RAB's comments and recommendations with any Plans the BHA submits to HUD and DHCD.

BHA Tenant Participation Policy Addendum – allowing remote/alternative activities during COVID-19 pandemic

1. Boards shall explore utilizing a Zoom account or similar video conferencing service to host meetings or community events, either entirely online or a mix of in-person and online. If the video conferencing service allows for language interpretation, residents or Boards may request (an) interpreter(s) from the BHA with at least two weeks' notice. Boards should familiarize themselves with the options and features of a video conferencing service account, including for security and internet safety, and shall explore making meetings password protected and limited to just the tenants of the development and BHA employees (or, if privately managed or mixed finance property, employees of the owner/developer/manager) and such other third parties¹ as may make sense. LTO Boards may explore options to make virtual attendance a possibility for residents, including by using TPF or Laundry Funds for video or conferencing account membership, equipment such as speakers, microphones, or a webcam, or other reasonable purchases. Boards remain responsible for including such items in their budget and providing documentation regarding purchases in accordance with the TPP.
2. LTO Board Members and tenants may participate in meetings and community votes by means of telephone, video call, or other similar communications equipment by way of which all persons participating in the meeting can hear each other at the same time. Participation by such means shall constitute presence in person attendance at a meeting. Those participating electronically shall have the same rights and opportunities to participate and be heard as all those attending in person, and shall be counted for the purposes of quorum as well as voting. Residents shall have the opportunity to use their own devices to connect to meetings; there shall be no charge required to attend a meeting. Any persons participating shall be asked to provide information about their identity so there can be an accurate record². Meetings may also be set up so that participants must register in order to provide identity information.
3. If meetings are held on Zoom or another video service, it is recommended that the Host select the option to Record the Meeting after clearly warning all participants that it will be recorded. This allows for a clear record of the meeting as well as the option to share it with tenants or BHA employees who were not able to attend at the time of the meeting, and the recording link or file shall be made available to residents or the BHA upon request. If the Board enters closed or executive session, they may pause the recording to protect sensitive information. The Secretary shall still take Minutes throughout the meeting, including any and all activity on the electronic and in-person portions of the

¹ Third parties in this instance might include, for example, relocation consultants, legal services, collaborating partners such as City Life/Vida Urbana or Mass. Senior Action Council, Boston police, etc., as the LTO and the BHA may agree makes sense.

² If a participant is on the phone, it may not be possible to figure out if this is a resident or a 3rd party who's been authorized to participate, or someone else; even for those who are on screen, this may be blurry. Good to have this for an accurate record of attendance.

meeting, and submit minutes, agendas, vote tallies, and other material to the BHA Resident Capacity Program per the Tenant Participation Policy Section 9.9.4 - Annual Compliance and Ongoing Recognition

4. Local by-laws and Election Committees shall be modified without the need to go through a formal amendment process, during the pandemic and period of social distancing for groups, to allow for adjustments to typical board or community voting procedure (such as accommodating electronic non-in person participation), LTO candidate nomination signature collection (such as hanging up nomination forms in a public location, or creating an online nominating form, instead of going door to door to get signatures), and LTO member election voting procedures. Boards do not need to amend bylaws during a pandemic/social distancing period in order to utilize these adjustments. Such adjustments to LTO member election voting procedures might include, but are not limited to having multiple days during which the polls are open, allowing for absentee or other forms of voting, such as mail-in, electronic, or telephonic voting, so long as the Election Committee and Independent Third Party Observer can confidently ensure the security and confidentiality of the vote and develop a mechanism for verifying that each eligible tenant only casts one ballot. For example, this might involve having the deadline for mail-in ballots made one week or more before in-person voting begins to allow the Third Party Observer to verify which voters already voted so that they may not vote again in person. Partial results shall not be shared with anyone not employed by the Third Party Observer, including Election Committee Members, candidates, and residents, until the complete and final count of every ballot cast is tabulated. If an LTO wishes to continue such amendments after the pandemic and period of social distancing is over, it would need to go through a formal amendment process, and BHA will specify a period to permit adjustments at that time. In order to determine which procedures are adopted at a given site, the Resident Capacity team will work with LTOs and the Resident Engagement Committee to create a check list from which residents can choose specific procedures. The Team will also coordinate with LTOs and site managers to disseminate/communicate the procedures to residents at a given site.
5. In-person elections, campaigning, voting, events, and meetings shall only happen if current public health guidelines can be followed to keep residents 6+ feet apart. Everyone must keep a mask on - covering the nose and mouth around others or while indoors. If in-person events cannot be safely held than alternative plans for electronic meetings or alternative voting shall be established. Such plans should also be established even in instances where an LTO has sufficient room space to spread out so that residents who still do not wish to leave their home and enter a crowded space can still participate in community happenings. This remains in effect as long as local public health guidelines dictate- BHA staff will update residents as these guidelines change.
